INFORMATION FOR VISITORS

All visitors to the School should report to the Main Reception at the front entrance of the Mackintosh Building or to the Janitor at the main entrance of each building.

The School sits on a very steep hill. People with mobility difficulties may require assistance.

Those who do so, should contact the Main Reception or Janitorial Services prior to arrival. We regret that wheelchair access to some buildings is restricted and that some areas within buildings are inaccessible to those who are unable to manage stairs. We are constantly improving access and will provide assistance where required.

Car Parking

A voucher system (from 8am until 10pm every day) for parking operated by the City Council applies in the streets surrounding the School. Vouchers may be purchased at local participating shops. The nearest public car park is located on Cambridge Street a short distance from the School.

House for an Art Lover

Visitors should report to the reception/shop on the ground floor. House for an Art Lover has been designed to ensure that all facilities are accessible for wheelchair users. Staff can be made available should assistance be required. Visitors parking is available.

Public Transport

The School is located in the city centre. Visitors to the School using public transport should consult Traveline Scotland (0870 608 2608) for up to date advice on getting to the GSA via public transport.

The School is approximately 20 minutes from Glasgow Airport by motorway and a short walk from Glasgow Queen Street and Glasgow Central mainline railway stations. The closest underground station is Cowcaddens and Strathclyde Passenger Transport railway station is Charing Cross.

Visitors to House for an Art Lover should use Ibrox underground or Dumbreck Road Strathclyde Passenger Transport railway station
