Uploading your Supporting Visual Images

1. Log onto the GSA upload website (details will be provided to you in the Acknowledgement email sent by Registry)
2. Select the course you have applied for.
3. Select one of the following two options on the screen:
 - Image Upload (25 individual images) [Refer to Note 4 below for further details]
 - Website link (a drop box or website link) [Refer to Note 5 below for further details]

4. Image Upload (25 individual images)

If you have chosen this option you must upload **exactly 25 images**, no more or less.

Maximum size of 200kb per image

Images must be one of the following file types: .gif, .jpg, .png

Before you submit your 25 images, check each image to ensure you are happy with the size and level of detail you can see as this will be what GSA Admissions staff viewing your application will also see.

You will not be able to change your images once you have submitted your 25 images.

5. Website link (a drop box or website link)

If you select this option a box will appear where you can type in a website address or a Dropbox link. Please check the website or Dropbox link that you supply is correct and ensure that the images available are the images you wish the GSA Admissions staff to consider.

6. Acknowledgement and Decision Notification

You will be sent an Acknowledgement email from Registry once you have submitted your images or website address. Registry will also email you once a decision has been made on your application.
