HOW TO APPLY:

www.gsa.ac.uk/howtoapply

Through UCAS: All students (except Study Abroad & Exchange) applying for the GSA's undergraduate programmes should apply online at: www.ucas.com. The GSA's institutional code is **G43**. The deadline for applications is 30 June, although we advise all students to apply by 15 January. Additionally students will need to upload Supporting Visual Material at application.gsa.ac.uk in order to complete the initial stage of their application. Most undergraduate programmes conduct a portfolio interview with students before offering them a place. For students unable to come to GSA this is usually conducted by telephone or online meeting/skype.

Direct: We accept direct applications – on the relevant official application form – for all our other programmes – Postgraduate; Continuing Education (eg Portfolio Preparation); Exchange; Study Abroad; Summer School. These application forms can be found on our website. The portfolio is usually submitted in digital format – for Postgraduate applications this is done at application.gsa.ac.uk
