

Course Code:

TBC

1. Course Title:

Professional Skills (Fashion and Textiles – Pathways)

2. Academic Session:

2012/13

3. Level:

9

4. Credits:

10

5. Lead School/Board of Studies:

Design

6. Course Contact:

Dr Helena Britt

7. Course Aims:

To allow Fashion Design and Textile Design students to work collectively on a 'live' group project to acquire and exercise professional skills such as project management, team work and team responsibility, problem solving, multi tasking, networking, communication and negotiation.

8. Intended Learning Outcomes of Course:

By the end of this course students will be able to:

- Exercise autonomy in undertaking and interpreting set project work and draw on a range of sources to make objective judgements
- Undertake a range of subject specialist projects for a range of Fashion or Textile Design contexts
- Identify and deal with subject specialist matters including any ethical or professional issues raised by the discipline
- Undertake analysis, evaluation and synthesis of ideas, concepts and matters raised by the subject specialist areas

- Work under guidance and with others to develop a subject specialist understanding of a determined Fashion or Textile Design area
- Manage time and resources in relation to set project briefs and exercise safe working practices
- Make formal and informal presentations to a range of audiences
- Use a range of IT applications to support and enhance work

9. Indicative Content:

A major 'live' group project between Fashion and Textile Design pathways working collectively to develop professional skills such as project managements, team work and team responsibility, problem solving, multi tasking, networking, communication and negotiation.
