Application Form

- Your application will be forwarded to assessors when you have submitted
 - A completed postgraduate application form
 - A personal statement
 - You may additionally, and optionally, submit portfolio works or link to an online portfolio within your statement. However, a portfolio is **not** a required part of the application process

Additional Information

- In addition you will also need to submit
 - Two references
 - Evidence of academic qualifications
 - If English is not your first language evidence of English Language proficiency (IELTS certificate or equivalent)
 - A copy of your passport (if applicable)

 - Where possible submit all this information with the application

More information on accepted English language qualifications is available on GSA website:

<https://www.gsa.ac.uk/study/graduate-degrees/how-to-apply/>

Personal Statement Guide

Your personal statement (approx 500 words) should provide a concise, critical self-evaluation of your work and the reasons for wishing to join the programme at GSA/Glasgow.

What makes you passionate about this subject, and why do you want to study with us?

Portfolio

- MSc Medical Visualisation & Human Anatomy is an interdisciplinary programme, with applicants from science, arts, and other backgrounds
- Accordingly, no portfolio is required with applications, but you may optionally include works by adding a link in your statement to an online portfolio

Assessment Criteria

Application Form and References

Criteria

- Academic Qualifications/ Relevant experience
 - Good first degree in a range of relevant subjects (e.g. Life Sciences, Animation, Heritage, Art, or those that include programming or scripting) *or equivalent professional experience*
